About

I'm a self-taught software developer. I've been developing software applications for 3 years. I enjoy working with others and I consider myself as a self-motivated individual who always strives to learn more and improve in all aspects of life, not just work.

Education

Gert-Sibande College, Mpumalanga, Lekwa-district

- N3 – Electrical Engineering
- Major-subjects – Engineering Science, Mathematics and Electronics.

Programming

HTML 5, **CSS3**, **Javascript**, **React** and **Tailswind.**

Design

Figma - **Adobe XD** - **Photoshop**.
